

It's Time for Cater Nation March Madness! What will you win?

(Don't worry – no jump shots or three pointers necessary!)

How It Works:

Cater Nation will be drawing 3 names each weekday in March through Friday the 27th and then will draw 2 names on Monday the 30th and 2 names on Tuesday the 31st. The names will be drawn from the pool of customers who have ordered that particular day. The names will be posted on our March Madness bracket and updated daily.* Once all 64 names are drawn, we will randomly pick a winner from each match up, eventually reaching the Sweet 16, the Elite 8, the Final Four and then crowning our Cater Nation March Madness winner on Monday, April 6th.

And guess what? You can be selected more than once! So the more you order, the more chances you have of making it to the big dance! (Dancing not required, but you may want to if you win big!) ☺

Unlike the NCAA tournament, it's not "win or go home."

With Cater Nation March Madness, all players win!

PRIZES (The important stuff!)

Customers making it into the **Final Four** round will be randomly selected to win one of these great prizes:

3rd Prize - \$100 American Express Gift Card

4th Prize - \$50 American Express Gift Card

Customers making it into the Elite 8, but not selected to move on to the Final Four (5th – 8th place) will each receive **1,250 Cater Nation Reward points (or a \$25 Cater Nation credit)**.
