

# CUSTOMERS TRUST CATER NATION

You Can Too!

## Delivery Parameters

You choose delivery distance, lead time, minimum order size, and delivery hours. Partners with shorter lead times have more opportunities to receive orders.

## Menus

There is no charge for set up. Send us your current published catering menu and we will set it up for you. Highlighting items that meet special diet needs is a plus.

## Payment

We pay our partners twice a month by ACH (fast) or check.
